

MUSIC

The current A level Music Specification is AQA

We will be studying Areas of Study 1 (Classical), 2 (Pop Music) and 5 (Jazz)

Task 1

Using the links below please research and use the resources to familiarise yourself with as many of the named artists as possible.

Task 2

I have attached an exemplar composition brief for you to have a go at one (whichever interests you most). Either complete the composition on your instrument or check Sibelius online as they are giving away 30-day trial memberships. There are some other music programmes out there that you can of course make use of too if you prefer. Enjoy composing!
